**All Calibration Schools are expected to test the bulk of their students during the first 2 weeks of the testing window.				
NEW PBT Accommodations: The state has removed the PBT testing windows. However, the expectation is that ALL PBT accommodated testing be completed during the first two week of testing. If you have students who are unable to test prior to the state pick-up, please contact Neyda Francis at ext. 370. Keep in mind that any test that is returned after the established state PICK-UP date will be reported during late reporting.				
Religious Holiday: Please be mindful of religious holidays when scheduling students for FSA and NGSSS, especially 3/30 (Good Friday) and 4/6 (Passover). Students who are unable to test during the regularly scheduled date MUST be accommodated during the make-up window. If you have any scheduling conflicts, call my office immediately.
